

THE #1 MISTAKE DRYWALL CONTRACTORS CAN MAKE IN 2017... IS TO MISS THIS MEETING!

**THURSDAY
16TH MARCH
3PM - 5PM**

**THE GLADES
GOLF CLUB
1 GLADES DR, ROBINA**

**REFRESHMENTS
PROVIDED**

The Association of Wall and Ceiling Industries (AWCI) Queensland is coming to Gold Coast to bring you the latest on the industry. You won't want to miss the jam-packed agenda below in this Regional and Industry Meet.

Saying "I've always done it this way" doesn't wear anymore. Changes to the 2017 plastering Standard you can't afford not to know about.

How to tell if the painter is producing the finish you expect on your plasterboard and if not, then how to turn it around to a satisfactory finish.

Do you know the worst thing you can do with a mechanical sander? Make sure you know what you're doing as statistics show otherwise.

Find out about QBCC audits this year and what they are on the lookout for.

Want to be in the industry in 5 years' time and also make a better living?

A contractor from a growing Gold Coast business will be offering a few golden suggestions to the room.

More ceilings are coming down, is yours going to be amongst them? Come along and learn how to avoid your ceiling collapsing.

**See you there!
Let us know you're coming -
RSVP by Monday 10th March**
